

RE: MB Docket No. 04-233

We are a family who listens exclusively to K-Love Christian Radio on 90.3 FM. This channel is the only Christian radio channel we are able to get continuously in our town and is a vital part of our lives. It is the only radio program that we can let our children listen without the fear of what they will hear that is sexually oriented or otherwise inappropriate for their ages. We found K-Love by accident because of a car that had a K-Love bumper sticker on it and the channel where it could be found. And we have since shared this station with family, friends and neighbors and it has greatly impacted their faith and family. Taking K-Love off the air because of it being LPFM station would be a great detriment to our town and the many Christian families I know that listen to this station for uplifting, encouraging, God focused music. Please do not take this station off the air. Thank you!
